

Facilitated Learning and Action Groups Meetings to Improve Status of Under-Nutrition in Rajasthan

Ekjut is providing technical support for Participatory Learning & Action (PLA) in Rajpusht program (An initiative of IPE Global) with objective to

- To improve maternal and child nutrition
- To reduce low birth weight and wasting among children under 3 years

Ekjut role is to develop Participatory Learning Action Manual and Tools for ASHAs and training of trainers on PLA approach.

ASHAs are conducting monthly Participatory Learning and Action meetings in their respective villages after training

Currently Ekjut is working in four southern districts of Rajasthan

- Udaipur
- Pratapgarh
- Dungarpur
- Banswara
